

2017-2018 School Activity Fee

Dear Parents and Guardians,

February 15, 2017

Tuition and Archdiocesan support cover operating costs—salaries, new textbooks, utilities, etc. However, this is not enough to cover other necessary costs of running a strong and vibrant school. After much discernment it seems both essential and practical to implement a new student activity fee for the 2017-2018 school year. This **\$150.00** fee will allow us to subsidize special activities such as honor roll assemblies and Night of the Arts; give teachers funds to purchase items for their classrooms and recess; cover the cost of the annual Children’s Fair; provide a school yearbook for every student, and supplement upgrades to our classroom technology. This new fee will eliminate certain “asks” that you formerly received throughout the school year.

A few things to know:

- The non-refundable fee is \$150.00 for the first student and \$50 for each additional student.
- Parents may pay in full by June 1 or pay in three installments.
- The installment plan is as follows: payment one is due on or before June 1, payment two is due on or before September 1, and the third/ final payment is due on or before November 1.
- Cash, checks made out to “St. Anthony Catholic School,” money orders and credit card are all acceptable forms of payment.
- Families benefiting from the Opportunity Scholarship may use their scholarship to pay the student activity fee.

I, _____, agree to pay St. Anthony Catholic School the \$150.00 Student Activity fee for the 2017-2018 school year. I understand my first child’s fee is \$150.00 and each additional enrolled child is an \$50.00.
