Faithful Leaders + Empowered Thinkers + Compassionate Citizens

January 13, 2021

Dear Parents and Guardians,

Happy New Year to you and yours.

In my letter dated November 18, 2020, I indicated we would return to in-person learning, for those families that desired this option for their children, on Thursday, January 21, 2021.

Because we had much success with our reopening of schools back in October using a phased-in approach, our schools will open their doors on January 21st, for students in grades preschool through grade 2.

On Monday, February 1st, doors will open to students who were originally assigned to grade level pods and possibly additional students in grades 3 – 5. Finally, on Monday, February 8th, children in grades 6 – 8 will have the opportunity to return to school for in-person learning.

You will soon receive a survey from your school principal asking your preference with regard to in-person or virtual learning. Your feedback will help us finalize the details of our reopening plan. Please take the time to complete the survey in a timely manner.

I continue to pray for you, your children, and all who faithfully serve our four CCA schools.

With gratitude for your ongoing support and faithfulness,

Vincent P. Spadoni

President
