

“Jesus asked his disciples, 'Who do you say that I am?'”

-Mark.8:27-35

How do we answer this question for ourselves?

Dear St. Anthony Families,

September 12, 2021

It was wonderful connecting with so many families at our New Families Welcome and our Home & School Association Meeting. I know how busy everyone is so I thank you for making the effort to attend. Being informed will help you get/ stay involved. We have great families and together we can accomplish so much more for our children. I look forward to working together throughout the year.

Early Dismissal... Unlike last year, most Fridays are a regular dismissal. Our early dismissals tend to be the first Wednesday of the month. See our calendar for the full schedule.

Looking ahead:

- Wednesday, October 6
- Wednesday, November 3
- Wednesday, December 1

Medication... If your child needs to bring medication to school or keep medicine at school please be sure you have completed the appropriate forms. Contact Mrs. Bond with any questions.

Health Screening... Families are responsible for completing a daily health screening using Plus Portals. Contact the office if you need assistance logging in or navigating the system.

Arrival/ Dismissal... Together we can keep arrival and dismissal safe and smooth. First, do not drive through Luke C. Moore High School's parking lot; they are back in session. Second, when in the carline always drive up as close to 12th Street as possible. This helps to reduce traffic and aggravation. Lastly, stay in your vehicle and wait for your child to be escorted. Students begin entering the building at 7:45 AM. Dismissal for PreK-Grade 2 is 3:00 PM and dismissal for Grades 3-8 is 3:15 PM. I ask those picking up that later group to arrive closer to 3:15 PM to allow time and space for the younger ones to leave the campus.

Arriving Late... Any student arriving after 8:00 AM must enter through the main office at 3400 12th Street. This includes younger students whose classrooms may have an exterior door.

Please Remember... Everyone must wear a mask in the building except while eating, drinking, or napping. Each student should bring two masks to school each day. Also, we are not drinking directly from fountains. Students should bring a water bottle every day.

Prayer... Our students gather each week in their grade levels (primary, elementary, or middle school) for prayer, the Pledge of Allegiance, and announcements. Students in grades 3-8 will begin attending Mass this Friday.

Extended-Care... Extended-Care is now being offered. Before-care is located in the cafeteria. The hours are 7:00-7:45 AM. Aftercare is located in various classrooms. The hours are 3:15-6:00 PM. Parents/ guardians must sign their children out from the main office. Students should bring extra snacks if they're enrolled in these programs. Only registered students should attend before and/ or aftercare. Please contact the office with any questions.

Social Media... Spread the word! St. Anthony has a Twitter presence and is all over Facebook! Several posts are made daily. Be sure to "like" our page and to "share" whenever you wish. The Consortium is also on Twitter and Facebook. Check it out!

Website... Please familiarize yourself with our website. There you will find our calendar, school handbook, faculty emails, a link to Plus Portals, our Blue & Gold newsletters, and so much more!

Have a fabulous week!

Mr. Thomasian

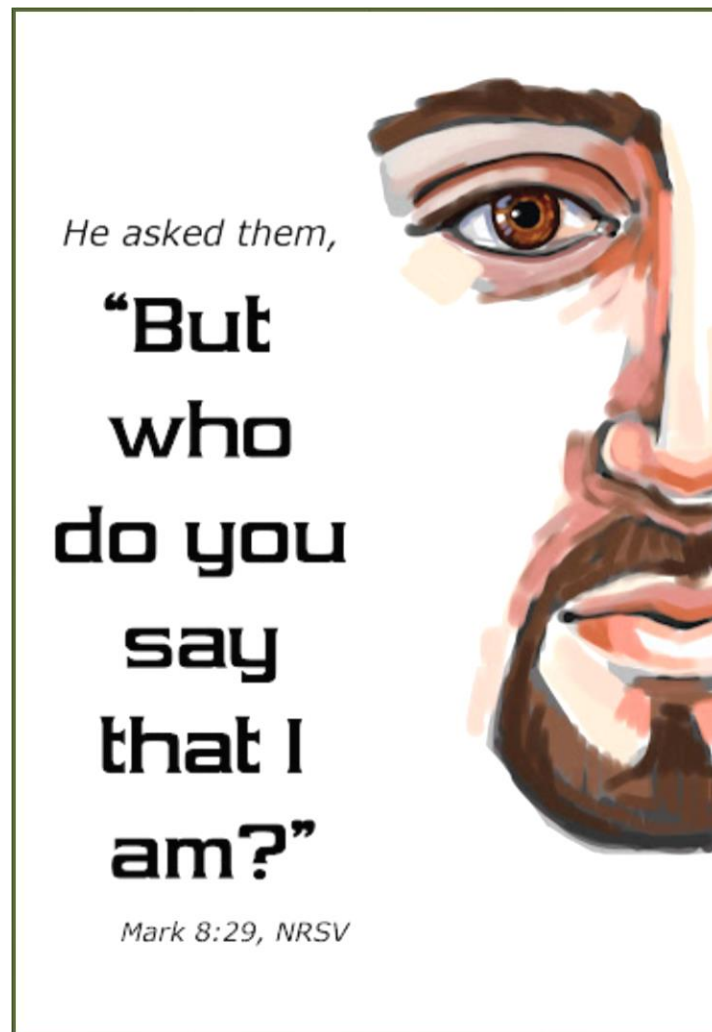

Principal
